ANNA'S HOUSE is committed to helping families after the end of the academic year to provide a safe and exciting space to play and grow. We have planned a thirteen week summer camp filled with exciting new opportunities and activities to fill their summer with joy and fun! Each week has a different theme of exploration, learning, and play. Every session will include swimming, water play, arts and crafts, outdoor adventures and games, and much, much, more.

The word summer triggers a sense of wonder and joy in children, a chance to play and grow in a relaxed and fun atmosphere. **ANNA'S HOUSE Summer Camp hopes to be that space in your child's life this summer.** We are offering a variety of exciting and stimulating choices, encouraging children to discover new friendships and explore new experiences, while creating an environment that allows them to feel safe enough to be themselves and follow their personal path of creativity and curiosity.

Whether they are outdoors, exploring the town, or inside learning and creating children will always be under the experienced care and guidance of our well trained staff.

So join us for the whole summer or just a few weeks, but be sure that you do not miss out on all the fun!

We are going to town, come explore with us!
