

Dear Member of the Staunton, Harrisonburg, Waynesboro, Augusta County Community,

I am writing on behalf of Anna's House, a premier private school located in Staunton. As a part of our efforts to fund scholarships and technology enhancement for the children in this area, the school is holding a **Children's Festival, Auction and Dinner on April 30<sup>th</sup> to celebrate our third year of providing quality private education!** I am writing to ask if you would consider supporting our fundraiser with a donation.

As a part of our mission, we have committed to make Anna's House available to families from all socio-economic levels. Therefore we,

- offer a sliding fee tuition scale for families who apply for Financial Assistance
- **provided numerous scholarships to families, giving out over \$32,000 in scholarships in the last year!** These are children who would not otherwise be able to attend an in-person early elementary learning program this year and we want to continue providing for families in the coming year.

Anna's House was founded in response to the closing of Stuart Hall Lower School and has become an essential option for school choice in our area. The small class sizes, rigorous curriculum, and focus on character has made Anna's House the perfect choice for many families.

We are asking for your support with a donation as a sponsor or of an item for our silent auction. These items can be merchandise or services suitable for children or adults. We also appreciate gift certificates and or coupons redeemable for free or discounted purchases.

Your business's support for our event will be recognized in the following ways:

1. The donations will be on display on the silent auction tables with your business name attached.
2. You will be listed on our website among our other donors. Sponsors will be showcased around the event.

As a fellow member of the community, you also hold a stake in the opportunities provided for our youth. Together, we can continue to provide healthy, meaningful learning experiences for the children of our area. We hope we can count on your support.

Sincerely,  
The Anna's House Fundraising Committee
